

We at Hamilton Road Dental have been following the rapidly changing guidelines on providing dental care during the Coronavirus pandemic.

Unfortunately we are now unable to continue providing routine treatment and from Monday 23rd March will be providing emergency care only.

We will still be here for our patients. If you need to see us urgently, please telephone the practice. During reduced hours our staff will be here to provide guidance and advice or make an appointment if necessary.

We will keep you updated of any changes as and when they occur and we all hope to see you soon.

If you have any questions or concerns, please do not hesitate to contact us on 02891272525.

Thank you,

The Hamilton Road Dental Team.
